

GUNPOWDER AND FIREWORKS

ASHLEY, SARAH, JAMES

WE WOULD HAVE NOT HAD FIREWORKS AND GUNPOWDER WITHOUT THE CHINESE PEOPLE. THE FIRST FIREWORKS MAY HAVE BEEN AN ACCIDENT BUT NOBODY KNOWS. GUNPOWDER IS USED FOR FIREWORKS. THEY ALSO USE GUNPOWDER FOR WEAPONS. IT MADE TECHNOLOGY HAVE A GREATER ABILITY TO PROTECT PEOPLE. IT GREATLY AFFECTED THE BALANCE OF POWER IN MANY PARTS OF THE WORLD. IN THE YEAR 1161 THE CHINESE USED EXPLOSIVES FOR THE FIRST TIME IN WARFARE. THE CHINESE ALSO INVENTED CANONS AND GUNS AND MANY MORE.

WE ARE VERY GLAD TO HAVE GUNPOWDER AND FIREWORKS. THEY ARE A GORGEOUS NIGHT SKY DISPLAY FOR EVERYONE. IT IS ENTERTAINING AND DANGEROUS BUT USUALLY WE DON'T HAVE ACCIDENTS. EVERYBODY LOVES IT. IT IS A HAPPY TIME FOR EVERYONE.
